

U–Turn For Christ Restoration Ministry
Freedom from drugs and alcohol through Jesus Christ

Those among you shall build the old waste places; you shall raise up the foundations of many generations; and you shall be called the repairer of the breach, the restorer of streets to dwell in. (Isaiah 58:12)

U-turn For Christ is a 2-month, residential, Christian discipleship program. Our primary purpose is to help those who have found themselves caught up in deception of alcohol and / or drug abuse.

U-turn is a ministry of restoration that is based solely on the teachings of gods word, and sound Christian disciplines. Our goal is to help men become restored to sanity, to become independent and self-supporting, and to be fully yielded under the lordship of Jesus Christ; becoming an asset to family, church, friends, employer, school, and society.

“All of us are aware of the great harm done by drugs. When a person has once been captivated by the desire for drugs, how difficult it is to see him set free. In fact, we’re convinced that there is only one thing that can set a man free from alcoholism and drug abuse, and that is Jesus Christ. So many of these fellows have burned bridges behind them. They have no place to go. That is one of the big problems for a man that is wanting to get out of the hell that drug abuse brings them to. There needs to be a place where he can go and get cleaned up. A place where he can have a powerful Christian influence...And be set free.”

Pastor Chuck Smith
Calvary Chapel of Costa Mesa, CA
