

U-Turn for Christ is a *non* co-ed *Christian*

Discipleship program (separate mens & womens facilities) dedicated to changing lives through the **written and living Word of God**, the Bible. Our primary purpose is to help men and women who have found themselves caught in the deception of alcohol and drug abuse. Each ranch provides individuals with an opportunity to **grow spiritually** in the **Christian faith**. As they study and apply the **Word of God** to their lives, they will be encouraged to become a productive, responsible, contributing individual in society through serving others.

Each ranch is a non-smoking facility. **The Men's Ranch** can house up to thirty men, including staff. **The Women's Ranch** can house up to seventeen women, including staff. Both ranches are under the guidance and supervision of *Pastor Steve Nordgren*.

Court Appointed Residents: Court appointees will be accountable to the conditions set by the court. This ministry will work in full compliance with the rulings of the court if the individual is accepted to the Ranch. We cannot, however, accept people who are ordered to attend a 12-Step program in lieu of or in conjunction with our ministry.

A Non-denominational
Ministry of
Restoration
